Ad Text VIDEO: TEXAS SCHOOL TEACHER FIRED AFTER MANHANDLING
LITTLE BLACK BOY

The shocking video shows a Central Texas child trying to get up from a bean bag chair in his classroom, while a Snook Independent School District employee, Troy Vann pushing him repeatedly into it and mocking him again and again.

After the concerned parent posted a disturbing video showing teacher manhandling a small child on Facebook, the video went viral and it was shared thousands of times.

In the video footage, Vann also tells the boy: "Tell me no. When I tell you to do something, you do it, boy."

After the Burleson County Sheriff's Office launched an investigation, a "behavior specialist" who acted in an inappropriate manner with a young student was fired.

The school district should provide a safe and secure environment for the students. And the school should not condone or tolerate the employees who abuse any child. The teachers who use excessive force against any child should be removed immediately from the classroom and placed on administrative leave. Otherwise, this will continue to happen.
